Dear Sirs,

As regards to your daughter Miss. Ja Pace, we would like to inform you that after the analysis of all the medical reports sent to the attention of Dr. Pietro Sodani, IME's Clinical-Scientific Director Prof. Guido Lucarelli accepts to receive the patient at IME Centre at Policlinico Tor Vergata in Rome to perform bone marrow allotransplant procedure (BMT).

Our team will be able to start BMT Protocol 30 procedure by the end of February, therefore we advise you to come around the 22nd of February 2006.

As to the cost of the BMT specific procedure for your daughter (Protocol 30) IME Centre will be charging an amount corresponding to €145,760.00 (one hundred and forty five thousand seven hundred and sixty euros) – this rate covers the entire BMT process (patient medical evaluation exams, related treatments and all required medicines). Please note that later follow ups are not included.

To formalise the acceptance of the patient and to assure the issuance by the competent authorities of the required permits to stay in Italy during the six months treatment period (*visa and/or permesso di soggiorno*) we kindly request you to please proceed with the payment of €43,728.00 (forty three thousand seven hundred and twenty eight euros) corresponding to 30% of the total amount above mentioned through wire transfer to IME's bank account with the following details:

BANCA NAZIONALE DEL LAVORO –BNL
SWIFT: BNLIITRR
IBAN: IT19S0100503392000000021541
Fondazione I.M.E. – Roma – Italy

The remaining amount of € 102,032.00 (one hundred and two thousand and thirty two euros) the treatment rate must be paid before your return to Canada.

In light of the above, we look forward to see Miss. Ja Pace here in Rome by the end of February 2006.

Please do not hesitate to contact us (+39 06 42049172 – r.lourenco@fondazioneime.org) in case you require assistance to find appropriate accommodation in Italy or for any other issue, we will be glad to help!

Yours sincerely,
